The Honorable Herbert Brownell, Jr.
The Attorney General.
Department of Justice
Washington 25, D. C.

Dear Mr. Brownell:

I appreciate the comments relative to the proposed revision of EEC 123 contained in your memorandum dated 28 April 1955.

STATINTL The internal security problems referred to by you are currently being studied within this Agency. In addition, as you know, a consideration of such matters is clearly within the purview of the Inter-Agency Evacuation Committee of which Colonel [redacted] representing this Agency, is Chairman. This body has scheduled a meeting for ~~17 May~~ 18 May, and it is hoped that some discussion of the matter may be had at that time.

I am confident that our consideration of these matters will lead to a solution at which time I shall be pleased to advise you further.

Sincerely yours,
